

THE GO ANYWHERE CAMPER

This is one of the most lightweight and versatile, yet feature-packed caravan RVers have ever seen

Opting for a compact caravan often means you sacrifice on storage, luxury and full features, but this couldn't be further from the truth when it comes to Centaur's Karakampa Freedom. At just under 15 feet long, this compact camper has all the inclusions of a larger caravan, with all the benefits of a free-camp capable RV. The use of composite construction makes the

Karakampa lightweight and impervious to wood rot or water leaks. Centaur have also provided a fantastic amount of water, solar and battery capacities in the Karakampa Freedom, meaning off grid adventures become an easy reality. However, at just over 1400kg, the Karakampa's brightest highlight is low weight, allowing RVers the freedom to choose from a wider range of tow-vehicles, which brings your travel dreams one step closer to reality.

UNIQUE FEATURES

- LIGHT WEIGHT COMPOSITE CONSTRUCTION
- ULTRA LIGHTWEIGHT - CAN BE TOWED BY A VARIETY OF VEHICLES
- AL-KO ENDURO OUTBACK TRAILING ARM SUSPENSION
- SOLAR PANEL KIT, TWIN BATTERIES FOR FREE CAMPERS
- CUSTOMISABLE SLEEPING OPTIONS

TOUGH CONSTRUCTION

The seamless construction of this van is a real credit to Centaur, who have built a tough yet lightweight RV from premium materials. The Karakampa's composite moulding and fibreglass sandwich panel construction ensures superior strength and durability throughout the entire design, whilst keeping the overall weight of the van quite low. There's also the added bonus of never having

to worry about timber or frame rot in your van, which means increased longevity and reduced repairs in the future. The 30mm polystyrene core offers complete insulation, making it the perfect van to travel in at all times of the year, whilst the aerodynamically designed outer skin ensures complete smoothness on the road, a bonus for RVers wanting improved towing performance.

EXTERNAL FEATURES

- CHASSIS:** Fully galvanised Centaur box chassis
- FRAME CONSTRUCTION:** Composite moulding and fibreglass sandwich panel with styrene core
- OUTER SKIN:** Aerodynamically designed composite outer skin
- INSULATION:** 30mm Styrene

- EXTERNAL WIDTH:** 7'8" (2.4m)
- EXTERNAL HEIGHT:** 9'5" (2.91m)
- TARE WEIGHT:** 1440kg
- BALL WEIGHT:** 120kg
- ATM:** 2000kg
- GVM/GTM:** 1880kg
- RRP:** \$48,895

There might be a rough free camp on the outside, but that doesn't mean you have to sacrifice on luxury inside. The high-gloss, marble look benches perfectly compliment the huge matte black dinette, which is the perfect size for having friends over. There's also an

abundance of modern appliances inside, with a Cramer three-hob gas burner stove and Waeco two-way electric fridge freezer as standard. You'll even find a full ensuite. RVers wanting a little more can also customise their look and include a range of bonus extras!

A FREE CAMPER'S DREAM

Despite being compact in size, this fantastic caravan is well equipped to go free camping and keep you off grid for days at a time. RVers will love the huge battery capacity; with Enerdrive solar kit that includes two 80W solar panels hooked up to two 100aH Deep Cycle Batteries, which are neatly stored in an offside locker for safety. There's also a huge amount of water storage, with one 82L fresh water tank and another 82L grey water tank. By opting for a fully self-contained van, Centaur have increased the amount of free camps vanners can visit, making your travels exceptionally easy. You'll never have to worry about storing large items for a big camping trip, with a huge amount of internal and external storage available. Their fully galvanised Centaur box chassis is a also a huge bonus, with its tough construction allowing you visit free camps with ease.

RV PROFILE

CENTAUR KARAKAMPA FREEDOM

A TRUSTED MANUFACTURER:

- Entrusted with Australian Government contracts to supply WA Police Force and VICPOL with prisoner capsules
- 36 month manufacturing warranty as standard
- Australian based factory
- Intense focus on compact caravans, which allows them to perfect their range

Unlike other RVs in the same price or size range, the Karakampa Freedom weighs in at a tiny 1440kg, meaning you have the freedom to choose a wider range of tow vehicles. This means that RVers are no restricted to buying bulky, expensive 4WDs that blow the budget before travelling even begins!

One of the best things about this RV is the fact that you can fully customise your sleeping arrangements, making it perfect for travelling couples or friends. Options include double, queen or twin single beds, with a sumptuously soft full inner spring Slumberest mattress. Unlike other vans in the same size range, RVers won't have to pull the bed down for each use, making it extremely practical.

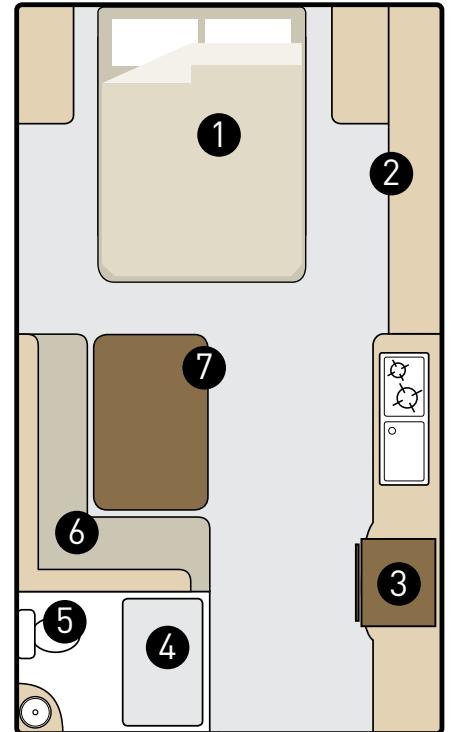

INTERNAL FEATURES

- FRIDGE:** Waeco CR110 2 Way electric fridge freezer (3 way optional)
- AIR CONDITIONING:** Dometic FJ2200 (optional)
- COOKING EQUIPMENT:** Cramer 3 hob gas stove
- HEATING/COOLING:** Dometic LPG under seat heater, Dometic AC (optional)
- ENTERTAINMENT SYSTEM:** Radio/CD player (optional)
- CABINERY:** Fibreglass
- FRAME:** Composite fibreglass moulding
- CUPBOARDS:** Doors are PVC moulded
- LOUNGE:** L Shaped dinette
- SLEEPING CONFIGURATION:** Double, queen, twin singles
- MATTRESS TYPE:** Full Inner Spring Slumberest mattresses
- UNDER-BED STORAGE:** Yes - lockable, gas struts to provide access
- BATHROOM CONFIGURATION:** Combination
- TOILET:** Thetford Cassette
- CUPBOARD LOCK TYPES:** Push button, nickel plated
- WASHING MACHINE:** Lemair 2.2kg top loader (optional)
